

Release of Liability

Spending any amount of time in the rainforest, and all other travel, for that matter, comes with inherent risk. By signing this waiver you acknowledge and **assume** the risk associated with visiting Sumak Kawsay In Situ.

Very few health and safety incidents have occurred at SKIS, none-the-less accidents can happen. These risks include, but are not limited to, *water damage, lost or stolen belongings, scratches, bruises, broken bones, concussions, viral and/or bacterial infection, snake bites, insect bites/stings, other animal encounters, falling trees/limbs, floods, landslides, motor vehicle accidents and potentially death.*

Sumak Kawsay In Situ will not be held liable for injuries resulting from a participant's lack of adherence to established protocols and rules.
